About Bell Bay Golf Club

Bell Bay Golf Club is a place where the staff knows you by name and where you can come and play a fantastic championship design golf course without the crowds. It's a place where members enjoy playing with new members and guests as well as a place where members care about their golf course and actively make it better all while enjoying this beautiful patch of well-manicured grass.

Tom McBroom designed, Bell Bay was crafted to optimize the beautiful views of the picturesque Bras d'Or Lakes in Cape Breton, Nova Scotia, and to firmly establish the hamlet of Baddeck as a golf destination. Skillfully blended into a sloping hillside overlooking the town, Bell Bay exudes a classic, timeless feel and features traditional dimensions that accentuate the scenic vistas and the golfer's appreciation for the natural beauty of the land. The front nine is generally open and scenic, while the back slips into heavily forested, wilder terrain. Bell Bay is notable for the final four holes, which build to a climatic finish. Site of the 2005 Canadian Amateur championship, 2016 & 2017 Cape Breton Open a Mackenzie Tour PGA TOUR Canada event & home of the 2019 Nova Scotia Golf Association Men's Senior Championship, Bell Bay endures as one of Canada's most loved and admired courses.

At Bell Bay we host a variety of events, leagues and clinics that are open to both members and guests and are always filled with great times and mediocre golf! Weekly Men's league, Ladies league and Members league are all organized by the Club with weekly prizing and are all handicapped, so anyone can be a winner regardless of skill level.

Equipped with two PGA of Canada Professionals, the staff at Bell Bay is determined to provide exceptional service to all members and guest ensuring both enjoy our beautiful golf course. The Golf Professionals are always looking to make you a better golfer, whether you are looking for a quick pre-round tip, weekly clinic or a one on one private lesson to tackle your worst golf habits, Bell Bay always has a Professional available for you. The turf crew here is pound for pound the best around, they provide all golfers at Bell Bay with near perfect conditions on the golf course and on our outstanding practice facility.

The Golf Shop is stocked with golf's top brands with the newest styles and models on the market. If we don't carry it, we can get it for you, and we can give the best price on almost anything in the golf industry.

The Golf Course

Bell Bay Golf Club is an 18-Hole parkland style course spread out over a majestic undulated land overlooking the beautiful Bras D'Or Lake. This McBroom classic is a 7037 yard par 72 Championship golf course known for its prestine course conditioning.

Our beautiful course can be enjoyed both on foot or in a power cart and was carefully laid out in a way that allows the golfer to play 6, 9, 13 or 18 holes and be within a short walk from the parking lot. For members that work and only have limited time to play, this design feature allows them to play a quick 6 before sunset.

The golf course is a challenging layout but is very fair... what you see is what you get! Strategy at Bell Bay will help you navigate this never-boring design but the heavily dense wooded areas surrounding the carpet liked playing surface will make you pay should you have an errand shot.
