COVID-19 Protocols

2021 COVID-19 Policy/Procedures to be announced at the direction of the Nova Scotia Golf Association prior to the golf season

Bell Bay Society Rejuvenated!

You will notice in the membership pricing for 2021 there is a section with \$15.00 per player going to the Bell Bay Society. This represents an increase of \$5.00 over 2020. The Golf Canada fee is a cost recovery fee as set by them. Both these fees are applied to every player type and membership.

This is not a new charge, we have just

separated it for the price breakdown as a means to be more transparent in this endeavour.

This money will be paid directly to the society to be distributed how it deems appropriate. Society dues will be used to fund the Societies 2021 mandate. There will be more direct communication to this end as the season approaches for your input and how to get involved.

This is a Member driven initiative.
